

COOKIE POLICY

I.DE.L. S.r.l.

Version: 1.0 – Rev.00

Issue Date: July 2026

1. Introduction

This Cookie Policy explains how the website of **I.DE.L. S.r.l.** uses cookies and similar technologies during users' browsing sessions.

This document supplements the Website Privacy Policy and provides the information required under **Regulation (EU) 2016/679 (General Data Protection Regulation – GDPR)**, **Italian Legislative Decree No. 196/2003**, as amended by **Legislative Decree No. 101/2018**, as well as the **Guidelines on Cookies and Other Tracking Tools** issued by the Italian Data Protection Authority (Garante per la Protezione dei Dati Personali) on **10 June 2021**.

2. What Are Cookies?

Cookies are small text files that the websites visited by users send to their devices (such as computers, smartphones, tablets or other terminals), where they are stored by the web browser used for browsing.

During subsequent visits, the information stored in these files may be transmitted back either to the website that originally generated the cookies or to other websites capable of recognising them.

The use of cookies enables, for example, the proper functioning of web pages, the storage of certain user preferences, the enhancement of the browsing experience and, where applicable, the collection of statistical information concerning the use of the website.

3. Cookies Used by This Website

The website of **I.DE.L. S.r.l.** uses exclusively those cookies that are necessary to ensure the proper operation of the website and, where applicable, technical cookies associated with the services actually implemented.

As of the date of the latest update of this Cookie Policy:

- no profiling cookies are installed directly by the Data Controller;
- no commercial profiling activities are carried out in relation to users;
- no automated marketing activities based on users' browsing behaviour are performed.

The possible use of services provided by third parties (such as **Google Maps** or links to social networking platforms) may result in the installation of cookies managed directly by the respective service providers in accordance with their own privacy and cookie policies.

4. Types of Cookies

Technical Cookies

Technical cookies are essential to ensure the proper functioning of the website and to allow users to browse its pages securely and efficiently.

These cookies are not used to identify users nor for commercial purposes.

Under the applicable legislation, the use of technical cookies does not require the user's prior consent.

Third-Party Cookies

The website may incorporate services provided by third parties.

These services may include, by way of example:

- interactive maps;
- links to social networking platforms;
- multimedia content;
- hosting or content delivery services.

Any use of such services is governed exclusively by the privacy and cookie policies issued by the respective providers. Users are therefore encouraged to consult those policies in order to understand how their personal data may be processed.

5. Cookie Duration

Cookies may be classified according to their duration as follows.

Session Cookies

Session cookies are automatically deleted when the web browser is closed.

They are used exclusively to ensure the proper functioning of the browsing session and to enable the secure and efficient delivery of the services requested by the user.

Persistent Cookies

Persistent cookies remain stored on the user's device for a predetermined period established by the entity that installs them.

They enable the user's device to be recognised during subsequent visits and may be used to retain user preferences or facilitate access to specific website features.

The retention period varies according to the technical characteristics and configuration of each individual cookie.

6. Managing Cookie Preferences

Users may manage their cookie preferences at any time through the settings of the web browser they use.

In particular, users may:

- view the cookies installed on their device;
- delete existing cookies;
- block the installation of cookies;
- restrict the use of cookies.

Please note that disabling technical cookies may affect the proper functioning of the website or limit the availability of certain features and services.

For further information on managing cookies through browser settings, users may consult the official guidance provided by the main web browser developers, including:

- Google Chrome
- Microsoft Edge
- Mozilla Firefox
- Apple Safari
- Opera

7. Third-Party Cookies, Where Applicable

Where the website incorporates external services capable of installing cookies directly on the user's device, such cookies are managed exclusively by the respective third-party providers.

As of the date of publication of this Cookie Policy, the website may use services such as:

Service	Purpose
Google Maps	Display of the Company's registered office and business location
Social Network Links	Access to the Company's official social media profiles

Any processing of personal data carried out through these third-party services is governed exclusively by the respective providers' Privacy Policies and Cookie Policies, which users are encouraged to consult before using such services.

8. Amendments to this Cookie Policy

I.DE.L. S.r.l. reserves the right to amend, update or supplement this Cookie Policy whenever necessary to reflect changes in applicable legislation, technological developments affecting the website, or the introduction, modification or removal of services and functionalities.

The version published on the website shall always constitute the current and applicable version.

Users are therefore encouraged to review this Cookie Policy periodically in order to remain informed of any updates or amendments.

9. Contact Information

For any information regarding the use of cookies or the contents of this Cookie Policy, users may contact **I.DE.L. S.r.l.** using the following contact details:

I.DE.L. S.r.l.

Via G. Matteotti No. 1992
