

## **WEBSITE POLICY**

**I.DE.L. S.r.l.**

**Version:** 1.0 – Rev.00

**Issue Date:** July 2026

### **1. Introduction**

The website of **I.DE.L. S.r.l.** serves as a communication tool through which the Company provides customers, suppliers, professionals and all interested users with information regarding its business activities, the products it manufactures, its corporate history and the values that underpin its operations.

The purpose of this Website Policy is to govern the conditions governing the use of the website and to define the principles applicable to the consultation of the published contents. It also aims to ensure transparency towards users by providing the information necessary to understand the conditions governing the use of the website and the respective responsibilities of the parties involved.

With regard to the processing of personal data and the use of cookies, this Website Policy refers users to the specific **Privacy Policy** and **Cookie Policy**, which are published in the relevant section of the website.

For any information concerning the contents of this website or the conditions governing its use, the Company may be contacted using the contact details provided above.

### **3. Purpose of the Website**

The website has been developed primarily for informational and corporate communication purposes.

Through the information published on its pages, **I.DE.L. S.r.l.** aims to present its corporate profile, showcase its products, share information regarding its experience in the plastic flower pot manufacturing industry, and facilitate communication with customers, business partners and suppliers.

The information made available on this website is provided for general informational purposes only and shall not constitute either a contractual proposal or an offer to the public pursuant to Article 1336 of the Italian Civil Code.

Accordingly, any technical specifications, product availability, delivery times or other commercial conditions shall always be subject to confirmation by the Company within the framework of its ordinary commercial relationships.

#### **4. Use of the Website**

Access to the website is free of charge.

Users are required to access and use the website in compliance with all applicable laws and regulations, as well as with the principles of fairness and good faith. Users shall refrain from engaging in any conduct that may impair the proper operation of the website or cause damage to the Company, its information systems or other users.

Users are expressly prohibited from using the website for any unlawful purpose, attempting to gain unauthorised access to information systems, altering or interfering with the published content, or carrying out any activity that may compromise the security, integrity or availability of the technological infrastructure supporting the website.

#### **5. Intellectual Property Rights**

All content published on this website forms part of the information and communication assets of **I.DE.L. S.r.l.**

Texts, photographs, images, catalogues, graphic elements, trademarks, logos, videos and any other material published on the website are protected by applicable national and international legislation governing intellectual property rights, copyright and industrial property rights.

The contents of the website may be consulted solely for personal information purposes.

Any reproduction, modification, distribution, publication, transmission or reuse of the contents, whether in whole or in part, is permitted only with the prior written authorisation of the Company or of the respective rights holders, except where such use is expressly permitted under applicable law.

#### **6. Accuracy of Information**

**I.DE.L. S.r.l.** makes every reasonable effort to ensure that the information published on its website is accurate, reliable and kept up to date.

Nevertheless, products may be modified, technical specifications may be updated, organisational changes may occur, or other circumstances may arise requiring the amendment of the published content.

Accordingly, the Company reserves the right to update, supplement, amend or remove any information published on the website at any time and without prior notice.

Users are therefore encouraged to consider the information available on the website as general guidance only and to contact the Company directly whenever confirmation, clarification or additional information is required.

## **7. Limitation of Liability**

While **I.DE.L. S.r.l.** adopts all reasonable technical and organisational measures to ensure the proper operation of the website, it cannot guarantee that the service will always be continuously available or free from interruptions.

Accordingly, the Company shall not be held liable for any loss or damage arising from service interruptions, temporary unavailability of the website, technical errors, communication network failures, or any other circumstances that are not directly attributable to the Company's organisation or that are otherwise beyond its reasonable control.

Nothing in this Website Policy shall exclude or limit any liability which cannot lawfully be excluded or limited under the applicable mandatory provisions of law.

## **8. Links to Third-Party Websites**

The website may contain links to third-party websites, social media platforms or other online services operated and managed by independent third parties.

Such links are provided solely for the convenience of users or to facilitate access to information that may be of interest.

**I.DE.L. S.r.l.** exercises no control over the contents, operation, availability or personal data processing practices of such third-party websites and, accordingly, accepts no responsibility or liability in relation to the services, information or content made available by them.

Access to and use of third-party websites shall be entirely at the user's own discretion and risk.

## **9. Website Security**

The protection of information and the security of the technological infrastructure supporting the website constitute fundamental elements of the Company's business operations.

For this reason, **I.DE.L. S.r.l.** implements appropriate technical and organisational measures designed to ensure an adequate level of security for both the website and the information systems connected to it.

However, due to the continuous evolution of information technologies and cyber threats, no information system can be considered completely secure. Consequently, the Company cannot guarantee absolute protection against all potential security risks.

Users are therefore encouraged to access the website using updated devices equipped with appropriate security measures, including regularly updated operating systems, antivirus software and other suitable cybersecurity tools.

## **10. Privacy and Personal Data Protection**

During the navigation of the website, certain personal data relating to users may be collected and processed in accordance with the purposes and procedures described in the **Privacy Policy** and **Cookie Policy**, which are available in the dedicated section of the website.

**I.DE.L. S.r.l.** processes personal data in compliance with the principles of lawfulness, fairness, transparency, purpose limitation, data minimisation, accuracy, storage limitation, integrity, confidentiality and accountability established by **Regulation (EU) 2016/679 (General Data Protection Regulation – GDPR)**, as well as by any applicable national legislation governing the protection of personal data.

## **11. Amendments to this Website Policy**

**I.DE.L. S.r.l.** reserves the right to amend, update or supplement this Website Policy at any time in order to reflect legislative or regulatory developments, technological innovations, organisational changes or modifications relating to the services provided through the website.

Any updated version shall become effective from the date of its publication on the website and shall replace all previous versions.

Users are therefore encouraged to review this Website Policy periodically in order to remain informed of any amendments that may have been introduced.

## **12. Governing Law and Jurisdiction**

This Website Policy shall be governed by and construed in accordance with the laws of the Italian Republic.

Any dispute arising out of or relating to the interpretation, application or use of this website, which cannot be resolved amicably between the parties, shall be subject to the exclusive jurisdiction of the competent Italian courts, unless otherwise provided by mandatory provisions of applicable law.

Where the user qualifies as a consumer under the applicable legislation, the mandatory rules concerning territorial jurisdiction established for consumer protection shall remain unaffected.
